

COMMISSIONERS APPROVE BIDS NEW STREETS

Property Owners In the
West End Are Still
Complaining

NEW OIL STATIONS

Daily News Made Official Newspaper
for Advertising
Business
of City

Bids for the initial part of the new building program for this year were read and approved at the meeting of the mayor and city commissioners this morning. They are being advertised in the Daily News today and copies will be sent to a number of contractors in Knoxville, Louisville and other places.

Bids will be received at the office of the city hall until 10 a. m. April 22. A number of types of paving are specified in the advertisement.

Further protests against street improvements were made by property owners at the meeting, those owning property on Twenty-seventh street between Gloucester and Cumberland avenue appearing with the complaint. They declared that such improvements were not necessary at this time and that the expense was burdensome at any rate of payment. Those who supported the petition by their presence were: W. V. Tennent, C. W. Bailey, M. M. Turner and W. J. Carlson. The petition was accepted and filed, there being plenty of time to take action before the preliminary work is done.

The members voted to place two lights which will be maintained at the expense of the city at Lothbury and Twenty-first street near the high school building. Mayor J. H. Keeney who opposed the proposition when it was first brought up two weeks ago voted against it but the two commissioners voted for the improvement.

Commissioner C. L. Cooke announced the completion of the new foot-bridge over the canal at Twenty-first street, stating that the total cost of it was \$112.

Permits for the erection of two filling stations were granted, one for the Middlesboro Motor company at the corner of Cumberland avenue and Eleventh street and the other for the Carlon garage at the corner of Cumberland avenue and Tenth street.

The Middlesboro Daily News was made official newspaper of the city for advertising on account of its ability to publish these on any day. This eliminates the necessity of frequently waiting a week for the publication of the weekly paper.

KENTUCKY C. E. WORKER HERE

Joint Meeting Last Night Pineville
and Middlesboro Christian
Endeavor Societies

Miss Georgie Dunn, state Christian Endeavor field representative and prison worker spent yesterday in Middlesboro and was in charge of a Christian Endeavor meeting held at the Presbyterian Church last night attended by the Christian Endeavor members of the Presbyterian and Christian churches of Pineville and Middlesboro.

Miss Dunn made an earnest talk on the value of Christian Endeavor in training young people for church leadership and in developing loyalty and devotion. She was here particularly to tell about the state Christian Endeavor convention which meets in Louisville May 2, 3 and 4 and to urge C. E. members of this, the tenth district, to attend.

During the afternoon Miss Dunn with several Christian Endeavor members visited the local prison and held services.

STATE CHRISTIAN ENDEAVOR MEET IN LOUISVILLE

LOUISVILLE, Ky., Apr. 7.—One thousand "out of town" delegates in the goal of the committee in charge of the thirty-fourth annual convention of the Kentucky Christian Endeavor Union, which convenes here Thursday, May 2.

Invitations have been extended to a number of widely-known speakers and favorable replies have been received from several of them.

Boone's Record As Surveyor Unearthed by U. of K. Dean

LEXINGTON, April 7.—All the world is familiar with the exploits of Daniel Boone as Kentucky's most famous pioneer, hunter and Indian fighter; but old records have just been found in the office of the Lafayette county clerk here, disclosing the fact that he "in one time" passed long enough from shooting deer and taking Indian scalps to engage in land surveying. These ancient records bear the signature of Daniel Boone as marker, and show that he was a member of a surveying party which surveyed more than 1,400 acres of virgin land in this country.

The discovery of these time-stained records, which have been in the voluminous files of the recorder's office here 100 years, was made by Dr. T. H. Cooper of the College of Agriculture, University of Kentucky. The records show that Boone was engaged more than 100 days in Fayette county as a member of a surveying party.

The first of these surveys in which Boone participated was made by John Shelby, a cousin of Col. Isaac Shelby, afterwards Kentucky's first governor, in December, 1782. The first record of Boone's work as a member of the surveying party is found in the Fayette county records, Boone Co., and is dated December 10, 1782.

William Hays, mentioned as chairman in this surveying party, was a

Local Country Club Officers to Be
State Association Officers
for Year

Enthusiasm among Louisville golfers over the prospect of coming to Middlesboro for the state golf tournament is quite current, according to F. P. Seales who returned from there yesterday. The tournament date, he said, would be June 25 to 28 and between one and two hundred golfers from all over the state will attend.

With the holding of the golf tournament here, the Middlesboro country club officers will automatically become the Kentucky state association officers for the ensuing year. Because of the co-operation which Middlesboro is receiving from Pineville, however, R. M. Wolf, director in the Middlesboro club, will serve as state vice-president instead of W. E. Cabell, local vice president.

No specific plans for entertaining the golfers have been worked out. The annual election for the Middlesboro country club will be held Saturday night and after that organized plans for the tournament will go forward.

Other organizations in town will co-operate in entertaining the golfers, it is understood. The Kiwanis club already has a committee at work planning an entertainment of some kind.

RESOLUTION FOR WORLD PEACE CONFERENCE

Would Consider a Further

Wants World Court Through Present
Hague Tribunal or Disso-
ciated From League
of Nations

Associated Press.
WASHINGTON, April 7.—A joint resolution proposing a world peace conference was introduced in the Senate today by Senator Pepper, Republican, of Pennsylvania.

The resolutions recites that peace movements already under way can be extended in the near future if attention is focused on a "matter so vital to civilization," and advises the president that a world conference with advantage might be assembled to consider further reduction of naval and aerial armament. It would also consider more certain application of international law and establishment of a world court of arbitration at Hague or through disassociation of the present permanent court of international justice at Hague from the League of Nations.

ANOTHER REVEALS HAMON SECRETS

Oil Committee Hears More About
Oklahoma and 1920 G. O. P.
Convention

WASHINGTON, Apr. 7.—J. B. French of Oklahoma City was a witness before the oil committee today. He said Jake Hamon discussed with him his plans concerning the 1920 Republican convention and declared Hamon first wanted to be elected national committeeman and then to help nominate General Wood. Asked why Hamon switched from Wood to Harding, the witness said Mrs. Hamon requested it. Hamon, the witness asserted, said he did not expect to be in the cabinet he merely wanted to control the Oklahoma delegation. As to the general election the witness declared Hamon told him it cost him \$100,000 which he spent through four thousand persons in Oklahoma. At one point in the testimony the witness said Hamon never said anything about oil land leases and at another point he said Hamon told him he spent \$25,000 for Harding headquarters committee expenses.

URGES COOPERATION OF WOMAN'S CLUB

Mrs. Hinks, President, Asks Members
to Visit Local Stores, Help
In Clean Up

Mrs. D. G. Hinks, president of the Woman's Club, has issued the following call to members of the Woman's Club:

"All Woman's Club members are urged to co-operate with the Merchants' Association in this 'Buy in Middlesboro Campaign,' by attending the meeting at the Middlesboro theatre Tuesday afternoon. They are also asked to visit all stores where there will be demonstrations, all of which are free. Many bargains will be presented and the Middlesboro merchants are making every effort to make their stores look attractive.

"This is also Clean-Up Week and time to observe Garden and Better Homes week. How better can we do this than by a systematic clean up, planting of flowers and vegetables in unsightly places, and making our homes more cheerful and sanitary?

"The city has promised to haul away rubbish if the citizens will pile it up in convenient places and notify them. Get rid of these can heaps and after this put them in barrels and cover with a little lime scattered over. Let us as club women co-operate with our mayor and commissioners in doing our part to make Middlesboro a garden spot. Nature has done her best for us."

Has One Of Bronze Medals Given German U. Boat Crew Who Sunk Lusitania

A permanent monument to the cruelty of the Germans in sinking the Lusitania is in the possession of Cooper Bros. Show, who was in Middlesboro today. The souvenir is a bronze medal issued by the German government to the officers and crew of the U-boat which consigned the helpless ship with its passengers of women and children, to grave in the briny deep. The medal is somewhat larger than a silver dollar and is made of bronze on one side is an engraving of the doomed vessel. Many gunnery shells from the decks in the engraving. It will be remembered that the Germans claimed the ship was armed while investigators showed it was not.

YESTERDAY GREAT DAY FOR REVIVAL

Three Services at Baptist Church—
"Profit and Loss" Subject
Tonight

A record crowd was present at the first Baptist church last night and heard Dr. E. C. Stephens' forceful sermon on "Substitution." Revival services yesterday morning, yesterday afternoon and last night were also well attended. There were 100 persons present at the service at 10 o'clock this morning, an unusual attendance for a meeting at this time of day.

Members of the congregation were shown essential elements of salvation by an illustrated lecture at 10 o'clock yesterday morning. In the demonstration, average men and women were represented by clear glasses of water, pure until a red chemical representing sin was poured in. This changed the water to scarlet as sin changes the human life. Various applications of money, morality and material things were used in an effort to purify the mixture but without avail. When a few drops of fluid representing the water of life, Christ's salvation, was added, the scarlet liquid became clear and pure as dew. The life of a sinner who has received the divine gift.

"All we like sheep have gone astray," we have turned every one to his own way and the Lord has laid on him the iniquity of us all." This bit of Isaiah's prophecy formed the text for the sermon last night.

Men, as sheep, are inclined to go astray, the minister explained, and like them they become lost and to insure their return the ransom must be paid. The ransom price to bring the world of lost people back to the fold was death and this price the Son of God paid.

In the sermon he declared that God was glorified when Christ took the sinner's place, that Christ was atoned when the sinner accepted the sacrifice sanctified him and gave him a place in the heavenly home.

A feature of the meetings is the cloral music conducted by E. L. Wolcott, familiarly known as "Wooley" by his many friends of the congregation.

OFFICERS CAPTURE COMPLETE STILL

Copper Outfit Found Between Yellow
Hill and Tannery Last
Night

One of the most complete outfits for making moonshine liquor ever found in this section was confiscated by Constable J. A. Thompson and his deputies, D. C. Sellers and Doc Chadwell, on the Pineville pike between Yellow Hill and the tannery last night. No arrests were made. The illicit liquor making outfit was in a dog-out whose dimensions were ten by sixteen feet. In addition to the thirty-gallon copper still, worm and cup, there were five square beer vats and a number of buckets and tubs. Water was run into the place by means of a rubber hose. The still was mounted over a brick furnace.

There was a bed in the dog-out, indicating that the owner had spent much of his time in there. Apparently the outfit had not been used for some time. The officers remained there all night for the owner who failed to appear.

100 ADDED IN REVIVAL OF JELICO BAPTISTS

JELICO, Tenn., April 7.—A successful revival was closed at the First Baptist church here March 23, conducted by the pastor, Rev. T. C. Crume, who was assisted in the singing by Mr. and Mrs. David M. Hughes of Newport, Ky. During the three weeks the revival was continued 100 members were added to the church, with 27 reconsecrations. Conversions and additions were reported at the two regular services following the revival. On the Wednesday night following the revival 520 persons attended prayer meeting.

Not only is he a singer and musical director of musical bills but also has a winning personality which instantly wins the congregation. "Profit or Loss" will be the sermon subject of Dr. Stephens at 7:30 tonight. Those attending are urged to be prompt as the seating capacity of the auditorium is soon filled.

STRAIGHT CREEK MINERS FIRE ON STATE TROOPS

Soldiers Return Shots,
No One Is

MEN ARE AT WORK

Hundred Guardsmen Protect Workers
at Liberty Coal Company
Mines—This
Morning

Indications that the presence of state troops in the Straight Creek mining section is not relished by union sympathizers was made when the soldiers were fired upon in the mountains at Elliott Branch last night.

The military guardsmen were patrolling the section when a shot was fired at them from the hills by an unknown person. The soldiers replied with a volley of shots from their rifles. No one was hurt in the exchange of shots. With the expectation of this, there have been no further demonstrations from enemies of the workmen.

Between forty and fifty men went to work in the mines this morning, their movements being guarded by the troops. Though this is not enough to run the mine at its full capacity, the company plans to keep it busy. More men will probably be employed.

About 100 soldiers have arrived on the scene where George Lucas was killed and Ed Dushman severely wounded by unknown persons Tuesday when they were coming from the mines. Max Baker, vice-president and general manager of the Liberty Coal company, says that he does not know how long the soldiers will be kept there. This matter, he says, was handled by the sheriff of the county judge.

No arrests for the fatal shooting of last week have been made, though officers are still making investigations and, it is thought, have some persons under close surveillance.

Nines Are Recaptured

By Associated Press.
STRAIGHT CREEK, Ky., Apr. 7.—Reopening of the Liberty Coal and Coke company mine was accomplished at seven this morning when thirty-five men took up the work of hauling coal at Elliott branch mine. National guardsmen were on duty and miners themselves were armed aside from an exchange of shots with unknown persons in darkness early today near the power plant. The situation is quiet now.

AN EASTER VISION

When'er I hear the Easter bells
Ring out their carols gay,
The graves from all the hills and dells
Dissolve from sight away.
I see the mighty planet left
Without a marble stone.
To tell of death, or one bereft
Who comes to weep alone.

Dear hands, long folded to their rest,
Return to touch my own,
And voices memory has blessed
In each familiar tone
Speak as in other days to me:
While on the springtime's breath
Is borne to every land and sea.
The news: "There is no death."

VETERANS' POST TO BE IN STILL WEDNESDAY NIGHT

R. M. Woodward, chief of staff of the Veterans of Foreign Wars of Kentucky, will institute a post of the order here Wednesday night, the meeting to take place at the K. P. hall at 7:30.
Local men who are eligible for membership are taking great deal of interest in the order and indications are that fifty or seventy-five will be in attendance Wednesday night.
Though most of the Middlesboro men who will join the order are veterans of the World War, some of them were in service at San Juan, in the Philippines and at other foreign places. Any man who has served in the United States army, navy or marine corps in a foreign country or in foreign waters is urged to attend the meeting and join the order.

CARRIER BOYS OF DAILY NEWS OPEN CAMPAIGN

Eleven 'Newsies' In City Will Handle This Work

CASH IN SIGHT

Young Solicitors Will Receive Money Prizes and Cash Commissions for Their Labors

The city carriers of the Middlesboro Daily News have entered a subscription campaign for the increase of circulation of the News within the city. The carriers will also take mail subscriptions for parties outside of the city or not on carrier routes. Together with a cash prize of ten dollars to the boy bringing in the greatest number of points, second prize three dollars and third prize one dollar.

A cash commission is paid for every new subscription taken and for extra policy written in a family of a new or old subscriber.

Subscriptions that are taken at the business office of the Daily News may be credited your favorite carrier either in the city or by mail. If you are at present a subscriber to the News and living in the city be ready with your seventy-five cents when your carrier calls. Just fill out the order and registration form with your name, age, occupation and street address, see that your subscription is paid fully to date and give the carrier seventy-five cents for the insurance and registration. If any or all members of your family between the ages of fifteen and seventy years, wish the insurance, fill in the Member of Family Registration form. This insurance is issued in connection with the subscription to the News and costs seventy-five cents per

year for registration and premium. The following city carriers are authorized to bring in subscriptions and application blanks to the News office: Lee Howlett, Jas. Tucker, Dick City, George Buchanan, Francis Fallon, Graham Short, Hoy Howlett, Clyde Hampton, Edward Faulkner, Oliver Price, Thomas Campbell.

WEEK OF SPORTS FOR LEE SCHOOLS

Baseball and Basketball League of Series of Games

EWING, Va., Apr. 7.—Lee county schools have played a number of baseball and basketball games during the past week, running up scores that sound more like football scores than any thing else. Following are the outcome of games by the baseball and basketball league last week:

BASEBALL

Ewing 5, Jonesville 0.
Ewing 31, Pennington Gap 0.
Dryden 11, Pennington Gap 4.
Flatwoods 17, Dryden 0.
Jonesville 17, Dryden 0.
Jonesville 17, Rose Hill 7.
Fulkerson, pitching for Ewing, allowed only one hit in each of Ewing's games. At Pennington Gap the game was a wily away for Ewing, while only three Pennington players reached first base, two, second and none third.

GIRLS' BASKETBALL

Ewing 19, Jonesville 12.
Pennington Gap 17, Ewing 10.
Dryden 41, Flatwoods 0.
Dryden also defeated Pennington Gap and Rose Hill forfeited the game to Jonesville.
